We are very aware that each year you and other area organizations are bombarded with requests to help area youth groups support their activities. As the costs to support all of Valley Soccer Club's programs continue to rise, we too find we must turn to our community more and more in an effort to keep fees at a level that will allow as many kids as possible to participate.

Our new campaign will solicit sponsorships only once a year and provide your organization with a variety of ways to help us out. We hope our efforts will not only encourage more area businesses and organizations to become active partners in our activities, but also allow us to do a better job of coordinating our fund raising activities as a whole.

As a Valley Soccer Club sponsor, your contribution will provide area youth with the opportunity to participate in youth soccer at a reasonable cost. As a registered 501c3 "Not for Profit" Organization, our tax-exempt status will also enhance your contribution.

If you have any questions or concerns, please feel free to call or email us.

On behalf of the Valley Soccer Club and all its players, we thank you for your consideration

Sincerely yours,

Melissa Bevins
